Explanation: You can count on this trainee regardless of the environment to always use appropriate language and to never make an inappropriate comment. They can be trusted to be around children and other stakeholders. They are never argumentative or critical with the trainer or others. They tend to hold onto their integrity and not make excuses. They can stay poised with their demeanor regardless of the situation and communicate effectively.
Grade 7 Focus Lesson #2

Career Interest Profiler Results
“O” is for occupation. A person’s usual or principal work or business, especially as a means of earning a living; or vocation. When you finish college, you can choose a job, or occupation, such as dentistry.
