Holiday Lakes, Texas

- Total area just less than 1 square mile
- 1,095 people
- Per capita income of $12,463
Eggs hatch and eat way into flower capsule

Daniel

- 37 years of age
- Spent time in jail
- Recovering drug addict
- Untimely death of close family members
Metamorphosis
“JumpStart taught me so much. Through this experience, I figured out so many things about myself – about how dedicated I could be. Who would walk from Holiday Lakes for an education? I did.”

-Daniel, JumpStart graduate
Long-term Unemployed (90% of participants) or Underemployed

Pass a drug test and a background check

(both of which must be paid for by the individual participants).
